2007 Honoree

Gebran Anton

President, Anton, Zorn & Sowerby

Gebran Anton is President of Anton, Zorn & Sowerby, an independent commercial and industrial real estate development firm. Mr. Anton - or Gabe as he is known to his many colleagues and friends - and his family are major supporters of the Macomb County arts community and patron of its many causes, including the Anton Art Center.

Through the center, exhibitions and educational opportunities are made available, many of which would otherwise have no outlet in Macomb County. These include two annual events that generate income for artists: The Stars and Stripes Festival and the Christmas Market. The Art Center Gift Shop offers Michigan artists further opportunities to generate income throughout the year.

In recognition of his community outreach and achievements, Mr. Anton has been awarded many honors, including the Macomb "Distinguished Citizens Award" the March of Dimes' Alexander Macomb "Citizen of the Year Award" and the Lion's Club's "Melvin Jones Award."

Mr. Anton is a veteran of the United States Army with a life-long presence in Macomb County, having been born and raised in Mount Clemens. He and his wife Suzanne have four children and six grandchildren.
